

## Your Financial Responsibility

An application fee of \$125 is due with the submission of your application. Because our membership fees only cover about 20% of our annual budget, the Board of Directors require a faith commitment for monthly giving in lieu of a tithe by our members. We are a family and your monthly financial support helps us to know that you are thinking of us and praying for us, as well as standing with us financially. Prayerfully review the giving levels listed below under Faith Commitment and check appropriately. A monthly envelope will be provided to you or you may set it up as an automatic withdrawal. We recognize your monthly pledge as a faith commitment that may be changed if circumstances warrant. May the Lord bless and prosper you! *III John 1:2*
