

Commission to Preach Rostering

Commission to Preach is a credential which is provided to persons who have a clear call to Christian service and are in a mentoring relationship under a local church Senior Pastor. Such persons are authorized to preach and to assist a senior pastor or other staff pastors in any way that they can, in order to get exposure and in-service training in Christian ministry. They are not authorized to perform any sacerdotal services.

LAY MINISTERS

Lay Pastor Certificate

Lay Pastor is a credential which is provided to persons called to pastoral care ministries under the leadership of professional clergy in the local church. They must have a clear call, Lay Pastor's training, and an understanding of the difference in roles as defined and accepted in their denomination or local church. They are not authorized to perform any sacerdotal services.

Christian Worker Certificate

Christian Worker is a credential which is issued to lay persons who are called by God as helpers and are actively serving under the authority and leadership of a mentoring pastor. They are not authorized to perform any sacerdotal services.

OTHER

Associate Member Certificate

An Associate Member (Non-Credentialed) of IMF is entitled to all the rights and privileges accorded to a general member. Ordained or licensed clergy who join IMF as Associate Members are accorded the same respect as an IMF member with their clerical standing. Although the Associate Member may be credentialed by their own denomination, we honor them and the ministry God has established through their faithful service to Christ.

NOTE:

Normally a person will serve for a minimum of one year with a Commission to Preach, and/or complete additional Biblical or Theological Training before being considered for the Licensed Minister's credential. Likewise, a candidate will serve at least two years as a Licensed Minister and/or demonstrate additional Biblical or Theological Training before being considered for the Ordained Minister's credential.

CREDENTIALS AVAILABLE

Below are some of the criteria for consideration and approval of membership and credentialing:

PROFESSIONAL CLERGY

Ordained Minister Rostering

An Ordained Minister's credential is provided to those persons who have "an established and proven ministry." Such persons are not only authorized to perform sacerdotal services, but are also required to be performing sacerdotal services on a regular or ongoing basis.

Licensed Minister Rostering

A Licensed Minister's credential is a credential which is provided to persons who have some ministry experience but need further experience in order to be fully established. Such persons are authorized to perform all sacerdotal services. There is no difference in the legal standing between a licensed minister and an ordained minister as credentialed by International Ministerial Fellowship. Both are authorized to perform all sacerdotal services. However, a licensed minister, while authorized to perform sacerdotal services, is not required by IMF to be performing them on a regular or ongoing basis.

Special Ministry License Rostering

The Special Ministry License is reserved for those individuals who minister in areas of special skill and serve in worship, fine arts, Christian counseling and other approved areas of ministry. Their main focus is not a preaching ministry. They are authorized to perform all sacerdotal services which they may not be performing on a regular basis, but do perform them on an ongoing basis from time to time as they serve in worship, the administration of the sacraments (ordinances), teaching, preaching and other areas of clergy responsibility.

Commissioned Minister Rostering

Commissioned Minister is a credential which is provided to persons who have a clear call to Christian ministry and service, who have some biblical and theological training, and who serve in evangelism, outreach ministries or community service. They are authorized to perform all sacerdotal services.

International Ministerial Fellowship®

Serving Those Who Serve Others®

IMF is a fellowship of evangelical Christian ministers and churches with an emphasis upon the work and ministry of the Holy Spirit in the Church today. It was originally organized in 1958 and presently has its offices in the greater Minneapolis area.

IMF's member ministers come from varied denominational backgrounds, but all endorse the IMF Statement of Faith. All have been recommended to us by local churches, ministers, and/or other Christian ministers and laymen who are familiar with their ministry calling and gifts.

Members of IMF have a wide variety of theological and Biblical training. Many are seminary graduates. Others are Bible college graduates, and some have received training through theological education by extension or mentoring at the local church level. All have demonstrated a level of theological proficiency and have been approved for membership by our Membership, Rostering and Ecclesiastical Endorsement Review Board (MREERB). We do not believe that God limits His call to those who have had the opportunity to attend seminary. Therefore, we offer an alternative ministerial track based on experience and other criteria. In evaluating the candidates, we look at their spiritual life, Bible knowledge and ministry experience, including formal education and theological training. Many of our members hold Bible college or seminary degrees, some in both independent and denominational settings.

Our goal is to love, serve, encourage and help enable those who serve in front line Christian ministries. We believe in recognizing the gifts and calling of God in the lives of all who serve Him. Therefore, we license and ordain women as well as men. It is our desire to bring God's Word to the nations, and we accomplish this as a missions sending agency providing administrative services to 100 plus missionaries serving as our ministry partners in 42 countries around the world. We also welcome those serving as chaplains in the military, hospitals, prisons and hospices by offering ecclesiastical endorsement to qualified candidates. In all, we embrace more than 1300 ministry partners in this Fellowship.

Scripture admonishes, "Study to show yourself approved under God, a workman that need not be ashamed, rightly dividing the Word of truth" (2 Timothy 2:15). Therefore, we offer our members assistance in evaluating their continuing educational needs for present ministry as well as future ministry goals.

For the purpose of maintaining unity, IMF has adopted the following. . .

STATEMENT OF FAITH

- We believe** the Bible to be the divinely inspired, undivided, infallible, authoritative Word of God.
- We believe** that there is one God eternally existent in three persons: Father, Son and Holy Spirit.
- We believe** in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and redemptive death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father and in His personal return in power and glory.
- We believe** that for the salvation of lost and sinful man, regeneration by the Holy Spirit is biblically essential.
- We believe** in the present ministry of the Holy Spirit by whose indwelling and empowerment the Christian is enabled to live a Godly life and through whom the Spiritual enablements are operational in the Church today.
- We believe** that God has provided to desiring believers an endowment of Spiritual power for the evangelization of the lost.
- We believe** in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
- We believe** in the spiritual unity of believers in our Lord Jesus Christ.
