Dear Pastor:

Thank you for your inquiry. IMF is an association of independent Christian ministers, churches and para-church organizations located in all 50 states and 51 foreign countries. We have been called to serve organizations and individuals laboring in front-line Christian ministry and to encourage you in your efforts to fulfill your mission in Christ. It is our desire to assist and help you.

Rev. Frank Masserano
General Secretary

IMF can provide your organization membership and the opportunity for affiliation with others who share a like calling and who desire to network and fellowship with other Christian ministers and ministries and to increase their access to ministry-related resources.

Enclosed you will find Appendix A, the criteria for Para-Church Organization Membership. Upon review, if you desire to apply to the Fellowship for para-church membership, please do the following:

- a) Complete the enclosed application (use additional paper as needed) and enclose with it requested documentation.
- b) Please have the Director or a Board Representative sign the application and include your non-refundable application fee of \$150.

Regarding your application, we will notify you of its receipt and begin processing it. We appreciate your interest in IMF and desire to be an encouragement and help to your organization. After reviewing your application, we will request an interview with your Director or other Board Representative. You are always welcome to meet with our leaders and request additional information any time.

Our membership credentials are recognized by Federal (including IRS), State, U.S. Military Agencies, VA hospitals and prison systems. Our ministry-related support services are practical and we attempt to assist our organization and minister members in areas where they cannot easily provide for themselves.

I have enclosed copies of the IMF Articles of Incorporation and By-Laws for your information. Currently, promotional materials and services are being revised and refined. If you have any questions concerning the Fellowship or the application process, Carol at (763) 571-5967.

Thank you again for your interest in IMF para-church organization membership. We hope we can be helpful and look forward to hearing from you soon.

Yours in Christ,

Frank Masserano
General Secretary

P.S. Please note, as a member para-church organization of IMF, you will continue to operate under your own non-profit corporation. Our relationship is one of fellowship, assistance and cooperation.
